			Grand Total	**$6,566.20**

Total: $6,566.20 across 25 invoices

Note: an earlier pull of this data (via a UI report) incorrectly mixed in another sales rep's (Matthew McConnell) invoices due to a filter application bug in that report tool. This version is sourced directly from the Ekos API filtered by Matt Collins' exact Salesperson record ID, and has been verified against the full sales rep list.
